

DANCE CONNECTIONS

2025-2026 COMPANY TEAMS

How can my dancer join a DC Company Team?

Dancers must attend one full year in a DC Recreational class and be evaluated by DC instructors to qualify. Speak with your dancer's instructor or the front desk for more information.

We are ready to commit to a 2025-2026 Company Team! How do I sign my dancer up?

You must Pre-Register before the Feb. 14th deadline. See our Company Team Pre-Registration flyer for more information.

How is "Elite" Team different?

Elite Teams practice more hours a week, offer additional team routines & tryout routine opportunities, compete at one additional contest, and attend one mandatory convention.

How do I know which team my dancer will be on?

Pre-Registered dancers will receive a physical invitation to a 2025-2026 Company Team. Team placements are based off of age as of 1/1/2026 and skill level. Pre-registered dancers are evaluated by DC instructors all season long, and can also attend a Team Evaluation class on March 7th.
